

# JINHENG ZHANG

@ eltsac@udel.edu

a Newark, DE 19702

## SKILLS

- Learning and using new technology easily.
- Using Python, Java and C language to write program.
- Designing games for children based on their thinking process.
- Developing games for primary school using advanced Scratch, Sphero, and Finch Robot.
- Understanding what can attract children.

## EDUCATION

**University of Delaware**  
Newark, DE • Expected in 07/2021

**Associate of Science:**  
Computer Science BS

## PROFESSIONAL SUMMARY

A great game designer should have adequate experience in using technology and communicating with children. I have both of these abilities which allows me to catch children's attention and design interesting games. Thus, I believe that I will be successful in this position.

## WORK HISTORY
